BROWN Beach House

INSPIRING AND MEMORABLE...
...just like your holiday at the Brown Beach House Hotel.

Situated in the beautiful, historical city of Trogir, this boutique hotel is designed for relaxing and beach holidays. Both funky and sophisticated, its timeless visual appeal and distinctive modern Mediterranean charm. Perfectly equipped to balance business and pleasure, the House offers a stylish retreat and caters to private and business events all year round. Don't miss the "most photogenic pool on the Adriatic coast," the dining experience in the Carina restaurant, or rejuvenating your body and soul in the luxurious spa that will feature a new indoor pool in the autumn of 2018.

Open all year round • New indoor pool in autumn 2018

BROWN Beach House

NEZABORAVNO...
...opravo kao i Vaš boravak u hotelu Brown Beach House.

Jedinstveni boutique hotel smješten za savršen, opuštajući odmor nalazi se u prekrasnom, povijesnom gradu Trogiru. Istovremeno i funky i sofisticiran, prepoznatljiv je po svom klasičnom, mediterananskom šarmu. Savršen arhitektonski balans čini ga idealnim za poslovni odmor, kao i za godišnja i privatna putovanja i događanja tijekom cijele godine.

Uživajte u najfotogeničnijem bazenu na Jadranu, gurmanskoj prirođi restorana Carina i poslažite duh i tijelo u luksuznom spa centru s unutarnjim bazenom.

OTVORENO CJELO GODINU

BBH MAGAZINE ADS

Promotional Ad for Croatia Airlines inflight magazine and Story magazine. (2018)

Created: Graphic design, Prepress operations

LIVAR

Livar is an iron foundry for gray and nodular castings with a 50-year tradition. We mainly collaborated on publication design. (2016 - 2018)

Livar is covering most of the market in Slovenia and the former Yugoslavia.

Created: Annual report layout design and prepress operations, Corporate magazine Livarjev Utrip layout design and prepress operations

FORMADOMA

Visual identity design for interior design shop in the center of Ljubljana. (2015)

This was my first project out of college. Collaboration with client started only with logo re-design but later progressed in design of all promotional materials. Pattern that was created out of logo later proved to be an excellent 'fifth element' for application on a variety of materials.

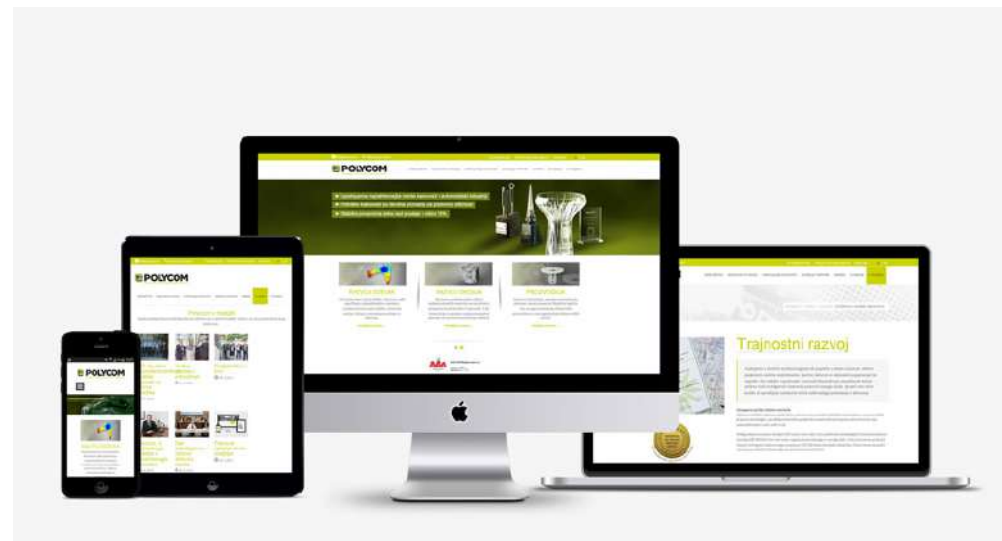

Created: Brand analysis, Brand positioning, Logo design, Pattern design, Stamp, Price tags, Wrapping paper, Magazine ads, Storefront sign, Storefront window display, Web banners, Business cards, Opening party promotional materials, Seasonal brochures...

RUPAR PLASTIC MOULDING

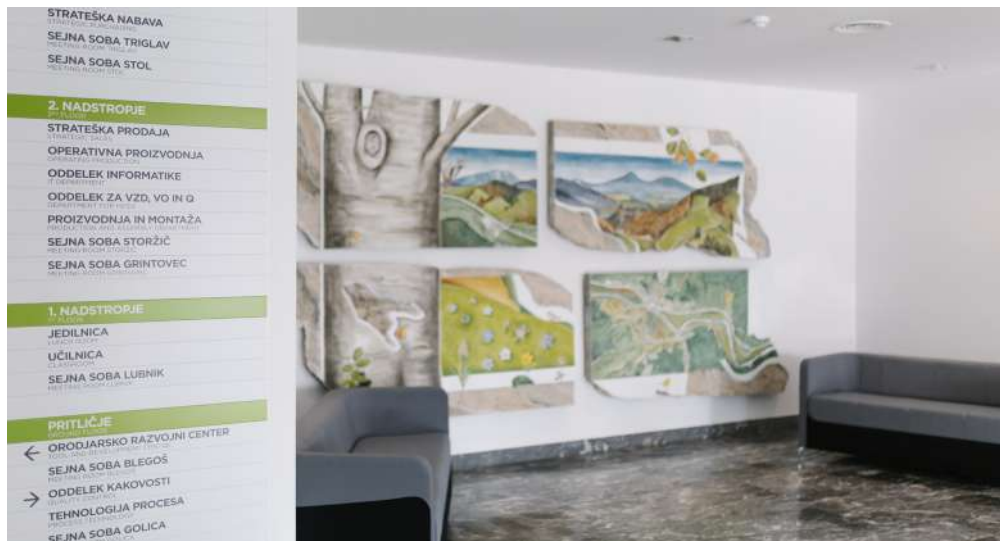

Rupar, family owned plastic moulding company. (2016)

Created: Logo design, Business cards, Documents, Flag, Vehicles, Client presentation

POLYCOM

Polycom is one of the fastest growing Slovenian companies. They are an innovative quality provider of integrated development solutions for the automotive and other industries and provide the services of plastic mass processing and exacting injection tool manufacturing. Our collaboration covered wide field of design areas throughout the period of three years.

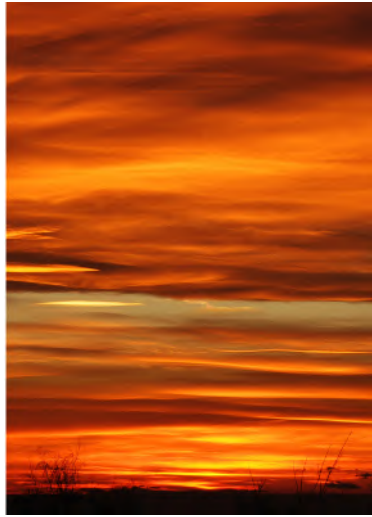

Created: Brand Guidelines, Art Direction, Content planning, Social Media, Stationery and Collateral, Publications (Books, Corporate Magazines, Annual Reports...), Web design, Water bottle label design, Employees official uniform, Signage, Way-finding, Interior graphic elements, Video production, Company presentations for client meetings

THE SLOVENIAN INSURANCE ASSOCIATION

MOTOR VEHICLE INSURANCE DIGITAL ANNUAL REPORT (2018)

Created: UI design (color scheme, typography, graphs and table design, photo selection, adjusting design elements for multiple platforms), UX design (strategy, structure). [Click here](#)

PHOTOGRAPHY

My interest in photography started at a very young age and stayed my greatest passion till this day. Experienced in analog and digital photography, shooting wide variety of motives.
